

IDENTIFIX, INC.

Identifix is the nation's best source of knowledge for technicians who need help diagnosing vehicle repair problems. The program includes Direct-Hit – an award-winning online tool for vehicle diagnostics, OEM repair information and factory-scheduled maintenance plans. It also includes access to Identifix's Repair Hotline — a pay-per-use technical assistance hotline staffed by more than 45 OE factory-trained, ASE Master, L1 technicians.

BENEFITS:

- Online access to vehicle diagnostics, factory-scheduled maintenance and repair information
- Exclusive data compiled from more than 3.6 million repair hotline calls
- Updated weekly with new symptoms, tests and fixes
- Intuitive keyword search yields only information relevant to vehicle symptom(s)
- Expert repair hotline support
