

SAFETY-KLEEN®

Safety-Kleen has provided cleaning and environmental solutions for more than 50 years and will now offer a comprehensive environmental service program.

BENEFITS:

- Delivers responsible, closed-loop systems for managing waste streams
- Helps reclaim and implements reuse of used oil and cleaning solvents
- Conserves resources while reducing environmental liability
- Provides economic advantages through cost savings and resale of recovered products

INFORMATION AND ASSISTANCE:

For more information, please contact Guy Dinninger, National Account Manager, at 1-517-525-2086.
