

MIGHTY AUTO PARTS

Since 1963, Mighty Auto Parts has set the standard for the industry in OE quality preventive maintenance parts, value-added services and technology solutions provided exclusively to the automotive professional. Sourced directly from Tier One manufacturers, Mighty offers a comprehensive selection of Mighty-branded parts, chemicals, lubricants, equipment and shop supplies along with exceptional personal service, training and support.

Mighty Distributing System of America, franchisor of sales and services in aftermarket auto parts, is headquartered in Norcross, Georgia, and supports 110 distributors in 41 states and four international markets. The Mighty System features attentive local service, inventory management expertise, classroom and on-site training in conjunction with extensive offerings of OE quality underhood and undercar parts, chemical products, lubricants and shop supplies. Mighty customers include more than 15,000 automotive repair facilities, tire stores, brake specialty accounts, quick lubes and more than 850 new car dealerships nationally.
