

# GOODYEAR

## WIPERS

## PERFORMANCE YOU CAN TRUST

### THE GOODYEAR WIPER ADVANTAGE

FOR EVERY SEASON AND DRIVING CONDITION, GOODYEAR WIPERS HAVE YOU COVERED.

#### SILICONE

##### BEAM - PREMIUM

**LASTS 4X\* LONGER AND DELIVERS COMPLETE VISIBILITY**

- Silicone wiping element foundation provides protection against damage caused by ozone, UV and extreme temperatures
- Water repellency coating for instant and complete visibility
- Asymmetrical spoiler utilizes the wind to maintain consistent windshield contact
- Universal connector system for easy installation
- Available in lengths of 13" - 28"

#### CERAMIC TITANIUM

##### BEAM - STANDARD

**2X\* LONGER LIFE FOR COMPLETE VISIBILITY**

- Ceramic Titanium coating reduces friction while protecting the wiping element from damage
- Pressure is evenly distributed across the entire blade length for outstanding performance
- All season performance
- Available in lengths of 13" - 28"

\*Versus industry standards (SAE J903)

#### ASCENT

##### HYBRID

**STREAK-FREE VISIBILITY FOR A SMOOTH, CLEAR WIPE**

- Built-in aerodynamic spoiler maintains full windshield contact
- Natural and synthetic rubber compound stays flexible in extreme cold and heat
- Universal connector system for easy installation
- Available in lengths of 16" - 28"

#### REVEAL

##### CONVENTIONAL

**DURABLE DESIGN AND QUALITY WIPE**

- All metal design for added strength and durability
- Precision cut wiping element for a problem-free wipe
- Available in lengths of 12" - 28"

##### REAR

**ENHANCED REAR WINDOW VISIBILITY**

- Specifically designed for rear applications
- Same style blade that came with your vehicle
- Precision cut wiping edge
- Available in lengths of 10" - 16"

#### ABOUT OLD WORLD INDUSTRIES:

Old World Industries is built upon a 50-year history of American ingenuity. Community-focused yet globally positioned, our Illinois-based company is transforming the automotive, commercial, and chemical industries with innovative solutions that keep the world moving forward.

Old World Industries prides itself on developing automotive and heavy-duty products for the most extreme climates and working conditions. Industry and customer research, fearless development, and an insistence on challenging traditional thinking continues to fuel an expansive product lineup.
